

LOGO -1

To prevent peer bullying, school administration, teachers and parents should work together to create an educational triangle. This triangle is a safe zone for young people. Blue represents the school administration Orange represents teachers and Green represents parents. Young people in this educational triangle are free from peer bullying.

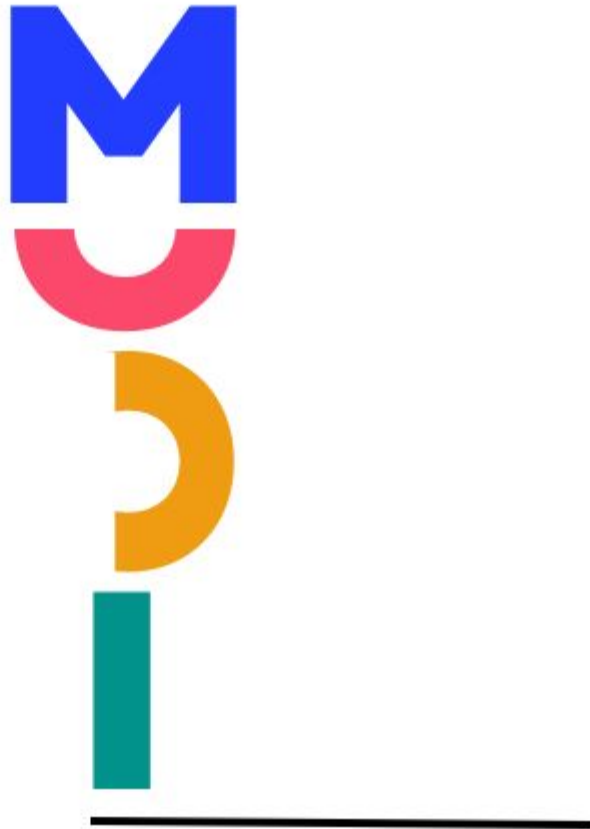

Aby zapobiegać nękananiu rówieńczemu, administracja szkoły, nauczyciele i rodzice powinni współpracować, aby s

Musimy nauczyć się szanować przestrzeń osobistą innych osób. Jeśli będziemy szanować miejsce, w

LOGO -2

We need to learn to respect people's space. If we respect people's habitats and accept everyone as they are, we can prevent peer bullying. The circle below represents living space. The figure of 3 young people symbolises the peaceful coexistence of 3 young people who respect each other's space. By raising their arms, these 3 young people do not allow peer bullying.

LOGO -3

Life is built on a balance. A small word or action can upset this balance. MUDI is a project designed to maintain balance in the face of peer bullying.

ycie opiera si na równowadze. Mae sowo lub dziaanie moe zaburzy t równowag.MUDI

Rce reprezentuj modych ludzi, którzy nie bd tolerowa nkania ze strony rówieników. Kada różn

LOGO -4

The hands represent young people who will not tolerate bullying from their peers. Each difference represents a different young person. The colours on the fingers represent young people of different faiths, different languages, different sexual orientations, different worldviews. Together, these young people are putting an end to peer bullying. Through MUDI, these young people will learn the importance of standing up to peer bullying. That is why there is MUDI writing under their hands.

LOGO -5

A young person's protector against peer bullying is his/her family. The family should be aware of peer bullying. A mother talking to her child against peer bullying. The sitting position of these two people forms the letter M. The letter M is the first letter of the MUDI project.

Obroć modej osoby przed nkaniem rówienicznym jest jej rodzina. Rodzina powinna by wiadoma znca

LOGO -6

The triangle forming the letter M represents the roof of the school. Under this roof, students are safe because their teachers are there for them.

Trójkąt tworzący literę M reprezentuje dach szkoły. Pod tym dachem uczniowie są bezpieczni, ponieważ są tam nauczyciele.

LOGO -7

Two young people holding hands forms an infinity sign. This infinity sign says: two friends in trust. In schools where there is no peer bullying, there is eternal trust and peace.

Dwoje modych ludzi trzymajcych si za rce tworzy znak nieskoczonoci. Ten znak nieskoczonoci mówi:dwoje

MUDI protects you from bullying. The red line represents the wall and puts a wall between MUDI and bullying.

MUDI chroni przed nkanie. Czerwona linia reprezentuje cian i stawia mur midzy MUDI a nkanie.

LOGO -8

LOGO -9

Those on the left and right represent the students, the icon in the centre represents the teacher.

interconnectedness: This interconnectedness refers to the increased unity in schools after MUDI training and the development of the ability to understand, listen and synthesise.

Osoby po lewej i prawej stronie reprezentuj uczniów, ikona w rodku reprezentuje nauczycielaw

LOGO -10

The letter M describes the ups and downs in the lives of students who lack emotional accessibility. This ebb and flow leads to peer bullying.

Litera M opisuje wznoszenia i spadki w życiu uczniów, którym brakuje emocjonalnej dostępności.

**Multidisciplinary
design of parent
and teacher training
to prevent peer bullying**

LOGO -11

The two P's together form the letter M.
The letters P represent parents. The two
P's hold hands and form the letter M of
the MUDI project.

Dwie litery P tworzą razem literę M. Litera P oznacza rodziców. Dwie litery P trzymają się za ręce i tworzą literę M.

LOGO -12
